Preplanning Meeting on
8/13/2014 at NSB High

- We want to advertise
- We want less work, more fun!

→ World Language Showcase

Date: Saturday, February 28, 2015 at Spruce Creek High School

What did we accomplish
last school year?

We revamped the festival:

It is now a

World Language Showcase

Why should you care and perhaps **join us** this coming school year?

Because...

- The Showcase was FUN! Kids had a blast, teachers were smiling, no meltdown this year!!!

- Before the Showcase, we had monthly PLCs to prepare and share practices. We included all that in our DPP.

- Nothing was overwhelming. The format was better, and the work shared well. Many events done beforehand

- Diversified events, more culture, more art, more entertainment, more FUN!

- Many scholarships, best of for each event... We had money through fundraising, thanks to **Daisy!!!**

- We offered in-service hours to teachers who participated, as well as DPP material!

- Letters of appreciation describing teachers' participation were sent to their principals!

- We really ADVERTISED our languages! They looked good, and we teachers did too!

World Language Showcase

Participation was easy:

We started with our PLCs and made our brochure

World Language Showcase

It was possible to enter students

Without being a sponsor

World Language Showcase

What helped make things easier?

SPONSORS decide how their event will take place and how many students can enter it.

PROJECTS are all due about 2-3 weeks before showcase and are judged beforehand

TESTING is done on computers the Wednesday before the showcase, and can be taken in your school

NO ALL DAY LONG TALLY ROOM

World Language Showcase

What helped make things more fun?

More ENTERTAINMENT: talent show, karaoke, games

More CULTURE: art show, exhibition, cultural contest, foods

More SPORT: mini Olympics outside and in gym

Less WORK: less tally room, more done earlier on, work better shared, students' involvement

More SCHOLARSHIPS: heavy fundraising got us extra money
